RIMC

A LEGACY OF EXCELLENCE

A Premier Institution.
A Proud Heritage.

Rashtriya Indian Military College (RIMC) was established on **13 March 1922** in Dehradun, Uttarakhand during British rule. Its original name was Prince of Wales Royal Indian Military College. The purpose of the college was to prepare young Indian boys to become officers in the army.

After Indian Independence in 1947, the college was renamed **Rashtriya Indian Military College**.

Today, it prepares students for entry into the National Defence Academy and the Indian Armed Forces. RIMC is considered one of the most prestigious military schools in India and has produced many senior military officers.

My child is in 5th class I joined CRACK SCHOOL EXAMS with a vision to acquire admission for my child in the premiere institution RIMC. Every faculty of this academy is very dedicated. My child was very scared of maths but Deepak Upadhyay sir has removed the fear from my child and his teaching has developed an interest for maths in my child. Fatima Qureshi madam also explains the GS class nicely. Manpreet Kaur madam has improved his English grammar concepts. Sangram sir also takes science class well. Ashu Malik sir who is the head of the institute is very co-operative and always provides with the necessary help. Thank you to the whole dedicated team of Crack School Exams.

I enrolled my son in Crack School Exam for RIMC exam preparation, and I am very satisfied with the guidance provided. The teachers are experienced, supportive, and focus on building strong fundamentals in Mathematics, English, and General Knowledge.

The regular tests, practice sessions, and interview preparation helped improve my son's confidence and overall performance.

I appreciate the disciplined environment and personalized attention given to each student.

I am very satisfied with the coaching and guidance provided by Crack School Exams Academy for my son's RIMC exam preparation. The classes are conducted regularly and always start on time, which helps maintain discipline and consistency in learning.

One of the best aspects of the academy is the face-to-face interaction between teachers and students. This allows students to ask questions freely and receive immediate clarification. All doubts and problems are solved instantly during the class, ensuring that concepts are understood clearly. The teachers are knowledgeable, supportive, and dedicated to the success of their students. The structured teaching approach and personal attention have significantly improved my son's confidence and preparation level for the RIMC examination. I highly recommend Crack School Exams Academy to parents looking for quality coaching and serious exam preparation for their children.
